

Little Peepul Day Nursery

Welcome

Little Peepul Day Nursery understands that, when you are looking for childcare, there are lots of important factors you have to think about.

Our nursery was designed with children in mind. We have versatile, spacious and bright rooms, with access to our own private outdoor play area. The nursery also offers additional educational opportunities, such as use of our state of the art theatre, dance studio, sports hall and arts & crafts room.

Our team of qualified, experienced, passionate and multilingual staff offer a wealth of childcare knowledge to support both child and parent.

Nurturing Children & Supporting Families

3 months to 2 years

During the early stages of your child's life, they are learning and absorbing everything about their environment. Our baby rooms provide a calming and nurturing atmosphere to cater for your baby's emotional, physical and social development.

2 to 3 years

Your children have opportunities to explore their world in a safe, stimulating and secure environment to further develop their rapidly expanding skills. Our staff will introduce creative, educational activities and focus on learning through play.

3 to 5 years

It's time to prepare your child for school life. Learning is important and this is continued through fun and innovative activities, such as yoga and meditation. Our educational programme is tailored to meet your child's individual educational and social needs.

Education Funding

Nursery Educational Grants are available for 3 and 4 year olds.*
